MOVE-IN AND MOVE-OUT POLICY

Exhibitors must load in and out via the loading dock during times listed above. A limited number of carts will be available. Exhibitors will drive to the loading dock and can pull up and unload/load their car and park in one of the nearby lots. Vehicles may not be left on the loading dock.

Signage

Only free-standing materials are allowed. Nails, push pins or fasteners may not be used to hang signs or other materials on walls, ceilings, or light fixtures. The removal of fixtures or alterations to the rooms is not permitted. No signage is allowed on the guest floors, elevators or lobby.

Any signs, banners or graphics that display over and above the normal height of the pipe and drapes of the booth may not exceed 11 feet at the top of the sign, and must be free standing with any sign stands contained within the designated display area in such a manner that stands may not occupy space in the common aisle areas. Any banners or signage must be reasonably set back from adjacent booths so as not to block other exhibits or similar banners. The Manufacturers and Exhibitors Committee Chair has final approval of all such signage issues.

Miscellaneous

Vendors need to bring all necessary equipment for setting up their booth/table. If additional equipment is needed, appropriate fees will apply.

No Food & Beverage is allowed to be distributed without prior approval from the Oregon Convention Center and PNCWA

The Oregon Convention Center does not assume responsibility and is not liable for any damages or losses of any merchandise, samples, equipment or any good or personal property exhibited, displayed or left at the Oregon Convention Center prior to, or following the event.

Insurance Requirements

It is understood and agreed that Exhibitor will present and staff a display or exhibit during the PNCWA Annual Conference or at a PNCWA Workshop event in accordance with guidelines as outlined in exhibitor information provided to all exhibitors. The exhibitor agrees to save harmless and indemnify the Pacific Northwest Clean Water Association and its respective officers, directors, employees, members and agents from all liability, claims judgments and demands arising therefrom, whether directly or indirectly. Exhibitor agrees to defend at its own cost all suits and actions that may be brought against Pacific Northwest Clean Water Association or any part thereof, arising or resulting therefrom, and shall make good to all reasonable expenditures that they, or any of them, may make by reason of such claims, suits, or actions, including but not limited to attorney fees and the cost of defense.

The exhibitor assumes the entire responsibilities and liability for losses, damages and claims arriving out of injury or damage to exhibitor's displays, equipment and other property brought upon the premises of the conference facility and shall indemnify and hold harmless the conference facility, agents, servants, and employees from any and all such losses, damages and claims.

Exhibitor assumes responsibility and agrees to indemnify and defend the Pacific Northwest Clean Water Association and the building or facility venue associated with the conference or workshop and their respective employees and agents against any claims or expenses arising out of the use of the exhibition premises.

As a standard requirement of all of our show exhibitors, it is necessary for you to be covered by, and to provide proof *if requested*, of general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 in all.

The Exhibitor understands that neither the Pacific Northwest Clean Water Association nor the building or facility venue associated with the conference or workshop maintain insurance covering the Exhibitor's property and it is the sole responsibility of the Exhibitor to obtain such insurance.

ADVANCE PRICING

To qualify for advance pricing, orders must be received on or before the advance price deadline with payment in full. Late orders and orders without payment will be charged at standard prices.

PAYMENT FOR SERVICES

DWA requires payment in full at the time services are ordered. If paying by credit card, for your convenience, we will use this authorization to charge your account for services, which may include labor and freight handling not covered by your initial order and orders placed at exhibit site by your company representative.

METHOD OF PAYMENT

DWA accepts MasterCard, Visa, Discover, American Express, cash and check. Purchase orders are not considered payment. All payments must be made in U.S. funds drawn on a U.S. bank. Your cancelled check/bank statement and copies of the order form(s) are your receipts. Exhibitors will be charged a \$25.00 fee for returned NSF checks.

TAX EXEMPT

If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exemption Certificate for that state. Please send the above information to the DWA office for this show. DWA must receive your certificate by the deadline date on the order forms; otherwise tax will appear on your invoice.

ADJUSTMENTS, CANCELLATIONS AND REFUNDS

Adjustments to your invoice will not be made after the close of the show. Some items, services and labor are subject to cancellation fees. Refer to each order form for details.

All orders are governed by DWA's Payment Policy and Limits of Liability and Responsibility.

All orders are governed by the DWA Payment Policy and Limits of Liability & Responsibility.

Please read carefully.

1. DWA and its subcontractors shall not be responsible for ordinary wear and tear in handling of equipment, damage to uncrated materials, materials packed improperly, glass breakage or concealed damage. Claims for loss or damage must be submitted to DWA by the close of the show. No suit or action shall be brought against DWA or its subcontractors more than six months after the cause of action accrues.
2. DWA and its subcontractors are not responsible for the loss of, disappearance of, or damage to Exhibitor's freight after the same has been delivered to Exhibitor's booth, nor are DWA and its subcontractors responsible for Exhibitor's freight before it is picked up from Exhibitor's booth for loading after the show. Exhibitors must submit a DWA bill of lading for all outbound shipments. All bills of lading covering outgoing shipments submitted to DWA or its subcontractors by Exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.
3. It is agreed that DWA and its subcontractors are not insurers. Insurance, if any, shall be obtained by Exhibitor. Amounts payable by DWA hereunder are based on the scope of liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further agreed that DWA and its subcontractors do not provide for full liability should loss or damage occur. In the event that DWA should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$.30 per pound/per article with a maximum liability of \$50.00 per item or \$1,000 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause of origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors, or from negligence, active or otherwise, by DWA, its subcontractors or their employees.
4. At the close of show, if carriers fail to pick up or refuse to accept shipment, DWA reserves the right to reroute such shipment or move shipment to our warehouse pending advice from Exhibitor who will be charged accordingly for this service. No liability will be assumed as a result of such rerouting or handling. Thus, in order to expedite removal of materials from the show site, DWA shall have the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by Exhibitor, materials will be taken to DWA's warehouse to await Exhibitor's shipping instructions, and Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. DWA assumes no liability as a result of such rerouting or handling.
5. DWA and its subcontractors shall not be liable for shipments received without receipts, freight bills or bill of lading, such as UPS or van lines, these shipments will be delivered to booth without guarantee of piece count or condition. No liability will be assumed for such shipments. Shipments received on separate days will be treated as separate minimum shipments.
6. DWA and its subcontractors shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or for any collateral costs that may result from any loss, injury or damage to Exhibitor's materials or Exhibitor personnel which may make it impossible or impractical to exhibit same.
7. The Exhibitor agrees, in the event of a dispute with DWA or its subcontractors relative to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to DWA for freight handling services or any other services provided by DWA or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay DWA prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against DWA or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.
8. DWA and its subcontractors shall not be responsible for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts or work stoppages of any kind, fire, theft, windstorm, water, vandalism, acts of God, mysterious failure of power or utilities, and other events.
9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that DWA and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of DWA or its subcontractors shall sign a delivery receipt, bill of lading or other document, the parties agree that DWA or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.
10. Empty Storage labels will be available at the DWA Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for empty storage only, and DWA and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.
11. Rates are subject to Union contract changes and rates effective at time of show. Rates include Social Security, Worker's Compensation Insurance and Public Liability Insurance. DWA and its subcontractors shall not be responsible for loss, delay or damage due to strikes, lockouts, or work stoppages of any kind.
12. Please ship early and ship prepaid. DWA will not accept collect shipments.

 CARDBOARD KIOSK DISPLAY
 ORDER FORM**
 KEEP ORIGINAL & SEND COPY TO DWA

DWA Freestanding Kiosk #3 is a 100% recyclable/biodegradable display but also durable enough for multiple uses. Made entirely with FalconBoard, a rigid graphic board that prints vibrant graphics in a satiny finish. Custom-made sizes.

More about FalconBoard...

Hexacomb® Falconboard is the only graphic display board made from reusable, renewable and 100% recyclable kraft paper honeycomb material. Falconboard offers designers and printers a truly recyclable, environmentally-conscious product that helps divert millions of pounds of waste from landfills.

Falconboard consists of a SFI® certified, natural kraft core with white clay-coated or natural linerboard facings. Produced with up to 20% chlorofluorocarbon-free recycled paper content, Falconboard emits zero volatile organic compounds (VOCs). These qualities make for an excellent "green" alternative to traditional foam boards made from polyethylene (PE), polystyrene (PS) or polyvinylchloride (PVC).

Falconboard's printing capabilities equal that of foam boards, including use of wide format and digital solutions. Its unique structure can handle the most demanding of graphic display requirements due to its high rigidity and dimensional stability.

Display prices below are all based on print-ready artwork being provided to DWA. Please refer to the Graphic Files Submission Guidelines form for all file specifications and FTP upload procedures. If you would like DWA to design your display for you, graphic design labor charges will apply. Please contact our Customer Service Department at 503-228-6800 with any questions.

In order to ensure that your graphic images come out at the highest quality, send EPS vector art whenever possible. Photo-based or bitmap art should be in TIFF format and should be at least 600 dpi at 1/8th size. All colors in files and links should be set up and specified as CMYK (no RGB or spot colors). Include all screen and printer fonts used in your artwork (true type fonts) or convert all text to curves. Always include a hard copy or PDF file of your artwork.

Any files that do not conform to the specifications described below will incur additional fees beyond the current pricing shown in our exhibitor kits. Print-ready PDF is the only acceptable file type without incurring graphic design charges. Any in-house work that is needed to modify files provided by client to a print ready state will be billed at \$65.00 per hour with a half-hour minimum. Any files that must be opened in their native application and exported to the required file types below do not conform to this specification.

FILE TYPES

Digital files (logos, photos, finished layouts, etc.) should be saved or exported from your design application to PDF, EPS or TIFF with a minimum resolution of 300 dpi at 50% OF THE FINAL PRODUCTION SIZE. The higher the resolution provided, the better the results. JPEG's are less desirable but can be accepted if the resolution is 300 dpi or higher. Company logos should always be sent in a vector-based format to ensure a crisp, clean logo print. Placed images are to be embedded rather than linked. If files are linked, be sure to send the linked sites.

PLEASE DO NOT submit GIF files, Word (.doc) files, Power Point (.ppt.) files, Publisher files, InDesign files or any file formatted for or taken from a website. Web graphics are not suited for large format printing. This is a very common error and should be avoided.

PAGE LAYOUT / IMAGE SIZE

Image should be cropped and scaled to intended print size or to a percentage of print size (no less than 25% for vector based, 50% for bitmap based). Remove non-printing borders. Final resolution should be NO LESS than 100 dpi at FINAL print size. Higher resolutions will produce superior results. Image should be flattened, no layers and/or transparent objects. Color halftone images should be submitted in CMYK color mode. If arrangements are made ahead of time with our Graphics Department, Native files can be sent if any changes or additions are anticipated but these should not be considered as the primary print files.

FONTS

All fonts should be converted to outlines or paths. Text should be converted to outlines to ensure kerning, leading and font size stay exactly as designed. Send font files if there is an anticipation of any changes or additions. Any in-house changes will be billed as described above.

PROOFING

A clean, hard copy proof and a PDF proof should be sent along with the print files for reference. Files provided without proofs will be printed as is without correction applied. Any re-prints necessary due to proofs not being provided are done at additional cost to the client.

BLEED

Graphics must include one-eighth inch of bleed for products mounted on the following substrates: Dibond, aluminum, plywood, sintra and acrylics.

COLOR MODE

Files may be submitted in CMYK or RGB. You may also include PMS colors in your graphics (Coated palettes only). Although PMS colors will be run as 4-color process, keep them as spot colors in your documents to ensure a more accurate match.

CRITICAL COLORS

All Pantone and critical call out values must be specified in writing to DWA at the time of submission. Please note that approximate matching of any one color requires additional time and resources, and an additional charge may apply. DWA cannot guarantee that the colors on your final print will match the colors produced by your monitor – monitors produce a greater range of color, brightness and saturation than any printer.

SENDING FILES

Files can be sent on CD-ROM or DVD (recommended for extremely large, high resolution files) or posted to your FTP site or any online file transmission site i.e., Dropbox. For information on our web based file transfer services, contact us at signs@dwa-tradeshows.com or at 503-595-1465. Smaller files (-10MB) can be emailed directly to signs@dwa-tradeshows.com.

SUSTAINABILITY GUIDELINES

for Exhibitors

EXHIBITOR AND DECORATOR GUIDE TO REDUCING WASTE

We strive to send as little material as possible to the landfill through recycling, composting and donating left over goods.

WHAT YOU CAN DO

1

REDUCE WASTE

- Use the facility recycling receptacles during move in/out and run of the show.
- Use only products that are recyclable at OCC.
- Minimize packaging.
- Bring only what is anticipated for attendees.
- Provide information on a reusable flash drive or through a QR code.

2

SMART EXHIBIT DISPLAY DESIGN

- Create signs and banners that are reusable or that can be recycled.
- Foam core is not allowed, as it cannot be recycled.
- Print handouts on post consumer recycled content paper using soy or vegetable based inks.
- Use energy efficient lighting for displays.
- Turn off booth lighting, monitors, and electronic equipment overnight.

3

TRANSPORTATION CONSIDERATIONS

- Use local vendors when possible to reduce transportation impact.
- Use local public transportation, walk or bike when possible. Visit the transit system website at trimet.org.
- Purchase offsets for the environmental footprint from shipping, travel and lodging. Ask us for resources.

RECYCLING RESULTS

Each year we recycle, compost, and donate over 500,000 pounds of material instead of putting it in a landfill.
